VIII. Brief Project Description:

The City is currently working with Lynn Bennett at the Small Business Development Center at Valdosta State University to promote the Small Business Seed Loan program for small businesses in the City of Valdosta. These existing or start-ups must pledge to create and maintain either a part-time or full-time position for a low-moderate income person, based on the amount of the loan. Loan values are offered up to \$10,000.00 @ 4 percent interest, with up to 7 years to repay.

Eligibility Criteria (Continued):

IX. Supporting Documentation: The following supporting documentation has been attached as evidence of project eligibility:

Neighborhood Analysis Data

Participant Qualifying Data-On File in Community Development

Census Tract Data

Agreements On File In Community Development Department

Other: _____

X. Eligibility Determination Narrative: The project has been determined to be eligibil for the following reasons. (Describe)

Funds will be used to promote economic development through direct low interest seed loans for small businesses located or who create job opportunities in the Designated Revitalization Area (DRA).

VIII. Brief Project Description:

Staff is working with Betty Morgan, with the SEED Center at the Valdosta/Lowndes County Chamber of Commerce to offer to low-moderate income citizens educational seminars and technical assistance in starting and maintaining a small business. This activity will promote community economic development through fostering the activities for both a profitable and sustainable small business in our community. Most of the educational seminars offered to citizens can require travel to Atlanta, Macon, Savannah, Tallahassee or Jacksonville and can require tuition fees, or both.

VIII. Brief Project Description:

During our Consolidated Plan Focus Groups, it was suggested we organized and fund a bulk trash clean-up for the DRA. After a successful implementation year, we offer two bulk trash amnesty days in conjunction with KLVB's "Great American Clean Up Day" and "Make a Difference Day" to maximize the potential for volunteers and awareness of community clean-up activities. Yearly, one day will be presented in April and the other in October.

*24 CFR 570.206 Program administration costs

VIII. Brief Project Description:

Staff would be working with the Valdosta Police Department (VPD) in sustaining a positive youth diversion program in partnership with Project HOPE. Currently, Project HOPE is providing after school tutoring and mentoring services for children ages 6 - 19, in response to the VPD reported increased incidents of youth crime within the City of Valdosta. This program is being offered to give youth a positive, alternative choice when it comes to after school activities.

Eligibility Criteria (Continued):

IX. Supporting Documentation: The following supporting documentation has been attached as evidence of project eligibility:

- Neighborhood Analysis Data
- Participant Qualifying Data-On File in Community Development
