DESCRIPTION - ABATEMENT

(Must contact the Senior Marshal Josh Hunt 229-460-9402 before submitting a bid for this abatement.)

From property line to property line, lot must be cleared of all buildings and/or structures as specified, all building materials, rubbish, & debris. Wells, septic tanks, or other buried structures are to be filled with dirt. Lot is to be level with grade, raked, and bare ground seeded with straw covering.

This structure has received extensive fire damage. Asbestos survey was not possible to acquire. Demolition contractor must follow all federal, state, and local laws concerning the asbestos abatement on a fire damaged structure.
