DESCRIPTION – Exterior Cleanup & Debris Removal

The City of Valdosta is seeking qualified contractors to perform exterior debris abatement at a residential property. The scope of work includes the removal and disposal of accumulated debris and miscellaneous materials located along both sides of the structure. The contractor is responsible for providing all labor, equipment, and disposal of materials required to complete the abatement.

To be considered, contractors must hold a current City of Valdosta business license, maintain general liability insurance, and carry workers' compensation insurance if they have three or more employees.
